| VENUE       | HOTEL AJANTA AMBASSDOR                                       |  | HOTEL AJANTA AMBASSDOR  |  |  |                         |

• Organized by WALMI, Aurangabad\*      TS=TECHNICAL SESSIONS      SE=SPECIAL EVENT

# **Main Theme: Micro-Irrigation in Modern Agriculture**

## **Subtheme1: Micro Irrigation Design, Innovations, and New Techniques for increased Crop Productivity**

- Technical details, arrangements, success/failure stories
- Industry Studies, New Technology, Accessible Technology & Products
- Fertigation & Chemigation
- Success/Failure Stories
- Solar Power Integration

## **Subtheme2: Micro-irrigation funding & Government support through Micro-Irrigation**

- Innovative financing
- Micro-irrigation Funding
- PPP intervention for micro irrigation
- Challenges in financing of micro-irrigation

## **• Subtheme3: Micro Irrigation for ‘Cluster Level Farming & Small farm holders’**

- Productivity, Surface Water linking, Energy Efficiency
- Reclaimed water, urban irrigation, Sustainability, long term solutions
- Social up-liftment, innovative management and impact on women
- Role of Participatory Irrigation Management

## **Subtheme4: Operation & Maintenance Services and Capacity Development for the Micro-Irrigation Systems**

- Techniques, Problems, solutions, Participatory Approach
- Capacity development of farmers and service providers
- Skill Development
- Contract Management
